education

Bachelors of Science in Digital Arts and Design
Full Sail Real World Education, Winter Park, Florida
January 2006 - October 2006

Associates of Science in Digital Media
Full Sail Real World Education, Winter Park, Florida
September 2002 - October 2003

experience

Design Consultant, Cambria Consulting, Inc.
Boston, MA
October 2010 - November 2010

I consulted with Cambria for one month during their designers busy period. I was responsible for proposal page layout and the development of in-house marketing graphics and materials.

Graphic Designer, Inwood Consulting Engineers
Oviedo, FL
June 2007 - February 2009

At Inwood I was the sole graphic designer for a company of 60+ civil engineers. I supported the marketing efforts of the entire company with clean, well developed designs that adhere to corporate guidelines and a strict set of government specifications. While at Inwood I redesigned the companies branding, designed, developed, and deployed a company-wide intranet system, built project websites, and provided comprehensive marketing materials for the entire company.

Rich Media Designer, Web2 Corporation
Orlando, FL
October 2006 - June 2007

At Web2 I was responsible for producing product videos, web-based commercials, motion graphics, Flash content, as well as some miscellaneous graphic design work. I worked closely with the Director of Communications to deploy the company message across it's various internet properties.

Freelance Graphic Designer
Orlando, FL - Boston, MA
February 2009 - Present

Over the last two years I've been doing freelance design and professional photography with several different clients and keeping up on current trends in both technology and design.

Graphic Designer, Cubellis Inc.
Boston, MA
September 2005 - January 2006
